Welcome to the Cyclops web

CYCLOPS (CYber-Infrastructure for CiviL protection Operative ProcedureS) aims at developing grid-based applications for the Civil Protection community. CYCLOPS was an EU funded project (FP6), started in 2006 and has ended in December 2008.

The previous project page <http://www.cyclops-project.eu/> has been dismissed and has now nothing more to do with the CYCLOPS project.

The new project web page is available here .

A follow up of the project is the G-OWS Working Group.
